Faculty Scholarship and Professional Service

Annual Report
Academic Year 2020-2021

Submitted by
Dr. John E. Kovaleski, Interim Dean

The College of Education and Professional Studies is one of nine colleges and schools that serves approximately 2,000 graduate and undergraduate students. The College supports a broad array of degree programs across five departments and is nationally accredited by the National Council for the Accreditation of Teacher Education and our educator preparation programs are accredited by the Alabama State Department of Education. Counseling programs in the college are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). The College of Education and Professional Studies is committed to creating and sustaining an inclusive environment where every student's unique identity is valued and respected, and in which students feel safe to explore their intellectual, interpersonal and professional development in order to serve competently in a multicultural world.

MISSION

The mission of the College of Education and Professional studies is to transform our community and expand our outreach through a commitment to excellence in education and human services, advancement of innovative research, and supporting the dedicated service of our faculty, staff, students, and alumni.

VISION

The vision of the College of Education and Professional Studies is to prepare exemplary professionals committed to life-long learning who are leaders in contributing to the betterment of our diverse and dynamic world.
